

# PROCEDURE FOR ATTENDING THE SHAREHOLDERS' MEETING, VOTING BY PROXY AND APPOINTING THE DESIGNATED REPRESENTATIVE AS PROXY AGENT

## Eligibility to Attend the Shareholders' Meeting

Only shareholders who, based on evidence provided by an intermediary, held voting rights at the close of business on the day falling seven stock market trading days before the date set for the Shareholders' Meeting on the first calling, i.e., at the close of business on Monday, March 26, 2018 (Record Date), will be eligible to exercise their right to vote.

Any shareholders holding voting rights after the Record Date will not be eligible to attend and vote at the Shareholders' Meeting. A sale of the shares after the Record Date will have no impact on the eligibility to attend the Shareholders' Meeting.

The eligibility to attend must be certified by means of a communication provided by an intermediary, for the benefit of the party holding the right to vote, in accordance with its accounting records attesting that the shares were credited to the account of the party in question, at the close of business on the abovementioned date. In accordance with the applicable regulations, the abovementioned communication must reach the Company before the Shareholders' Meeting is called to order on each calling.

## Attendance and Voting by proxy

Any party who is eligible to attend and vote at the Shareholders' Meeting may choose to be represented at the Meeting by means of a written proxy, except for causes of incompatibility and with the limitations imposed by current laws. A proxy form is available on this page of the Company website, in printable format, or is available at the Company's registered office (where it may be requested on business days, from 10:00 AM to 12:30 PM, by calling the following numbers +39\_02\_62227465 or +39\_02\_62227985). If for technical reasons the proxy forms should not be available electronically, they will be supplied directly upon request.

The proxy may also be conveyed with an IT document signed in electronic format and it may be notified to the Company as follows:
